LEEDS PUBLIC DISPENSARY & HOSPITAL.

ONE HUNDRED & TWENTY-FIRST ANNUAL REPORT.

The Board of Management of the Leeds Public Dispensary and Hospital, in presenting its One Hundred and Twenty First Annual Report, desires to express its deep appreciation to subscribers, donors, and other friends of the Institution for the continuance of their loyal support.

PATIENTS.

The following table gives the number of patients treated during the year under review, with the figures of the previous year for the purpose of comparison.

CASUALTIES.

The resources of the Casualty department have never been more sorely taxed, and the following statistics will show the steady increase in the number of cases treated.

1940	19,338	1943	25,237
1941	21,427	1944	26,537
1942	23,906	1945	28,303

178 patients were treated as a result of accidents due to motor traffic; Operations numbered 4,425; Radiological examinations, 7,043, an increase of 1,230 on last year. Attendances in the Ear, Nose, and Throat department, 7,233; Eye department, 3,343; Arthritis Clinic, 5,567; Physiotherapeutic department, 11,024; Artificial Sunlight department, 1,949; Dressing Cases, 83,713.

In the Almoner's department, assistance was arranged through the medium of outside agencies in 165 cases. 40 patients were referred for convalescence; 56 patients were assisted to obtain surgical and other appliances, and 87 patients were helped, financially or otherwise, from the Samaritan funds. 4,950 patients passed through the Almoner's department during the year.

FINANCE.

The total ordinary expenditure for the year was £20,811 an increase of £1,108 on the previous year. The total ordinary income was £19,676, a decrease of £2. After bringing in the extra-ordinary income of £1,311 from the Leeds Corporation, being the final payment for the use of part of the premises as a First Aid Post, there is a surplus of £138 for the year ended 31st December, 1945.

The amount received from Annual Subscriptions was £1,229 17s. 6d.; Dividends and Interest, £2,986 4s. 2d.; Donations, £1,492 4s. 11d.; Donations by patients, £513 5s. 6d.; Receipts on account of services, £691 3s. 10d.; Donation Boxes, £355 2s. 11d.

The Board again gratefully acknowledges the splendid help the Leeds and District Workpeople's Hospital Fund so generously affords, and congratulates the Executive Committee on their successful organisation and the excellent results obtained by the indefatigable efforts of its members. The amount allocated was £11,000, with a special grant of £200 towards the cost of the Physiotherapy department, and the Fund's record of service to the Hospitals is one of which its members are justly proud.

The Board also highly appreciates the valuable support given by the Leeds Voluntary Hospitals Fund by a grant during the year of £2,185 8s. 9d., and heartily congratulates the Committee on the continued progress of the Fund.

The following notable benefactions are included in the income and to these, as well as to all the donors, grateful thanks are extended.

BUILDING AND EQUIPMENT.

For the period of the war, part of the buildings has been loaned to the A.R.P. Authorities and equipped as a First Aid post. Owing to the cessation of hostilities, this is no longer required, and the re-instatement of the accommodation of the Hospital is being proceeded with as rapidly as is possible under present conditions. Plans have been completed for increased accommodation in the X-Ray department, with more up-to-date apparatus.

Additions to the kitchen are necessary as the accommodation is now inadequate to meet present needs.

It is also foreseen that the expenditure on unavoidable post-war redecorating, repairs and renewals, will be very high during the coming year.

PERSONAL.

The resignations of Mr. Alfred Gough, Honorary Surgeon, and of Dr. James Fison, Honorary Ophthalmic Surgeon, are reported with regret. The Board desires to express its appreciation of their long and excellent service and they were elected to the Honorary Consulting Staff.

Mr. J. Sherne, Clinical Assistant to Dr. Fison, was appointed Honorary Ophthalmic Surgeon in a temporary capacity.

Dr. H. G. Garland resumed his duty as Honorary Physician on his return from military service abroad.

Mr. B. S. Lister resigned his seat on the Board of Management owing to his removal from Leeds, and Mr. J. C. Longley was elected to the vacancy.

Miss J. C. A. Barrowman, Matron since 1942, resigned to take up the post of Matron to the Whitehaven and Cumberland Hospital.

Miss Catherine Menzies, Assistant Matron at the Birkenhead General Hospital, was appointed to succeed Miss Barrowman.

The Board desires to record its appreciation of the valuable service rendered by Mr. Michael Oldfield in the Surgical department.

The congratulations of the Board were accorded to Brigadier R. E. Tunbridge, O.B.E., on his promotion to that rank.

TRAINING IN DISPENSING.

Owing to the shortage of Staff and other material circumstances, the training of students in dispensing, materia medica, and pharmacy, has had to be discontinued. It is hoped, however, to resume the Course, which is conducted jointly with the Leeds College of Technology, as soon as conditions become more favourable.

THANKS.

The Board again records its indebtedness to the Honorary Medical and Surgical Staff for the service they have given during a most difficult year. The Board also records its thanks to the donors of gifts in kind, the Leeds Blood Transfusion Service, the District Nursing Association, the City Police, the W.V.S., and many others by whose efforts, whether by gifts or service, better work has been made possible.

CONCLUSION.

Whatever the reorganisation of Medical Services under the close control of the State may bring, the importance of the work of the Hospital will tend to increase rather than diminish. Though the war has been brought to a successful conclusion, and victory achieved with a completeness that till the last moment almost seemed impossible, very difficult and anxious times lie ahead. The Board, however, feels confident that means will be forthcoming to maintain, with efficiency, the work of the Hospital and to keep it in the van of progress.
